STATE COORDINATED PROGRAMS

The Kentucky Council on Postsecondary Education helps coordinates a number of outreach and information initiatives. These include the following:

American Diploma Project. This project partners with Achieve, Inc., The Education Trust, and Thomas B. Fordham Foundation to experiment on the use of high school assessment data for the admissions and placement decision process.

GEAR UP Kentucky. GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Programs) is a federal program that partners with states and localities to provide pre-college outreach programming and information for students who reside in predominantly reduce-price or free lunch areas. In FY1999, the first year of GEAR UP, Kentucky received 5 partnership awards; in FY2000, an additional 2 awards were granted. In that year, the state also received a state award, granted to the Kentucky Council on Postsecondary Education.

Programs offered at Kentucky institutions include:

1. Eastern Kentucky University—It Takes a Village to Raise a Child
2. Kentucky State University—To Care Program
3. Morehead State University—MTEP Summer Enrichment Program

4. Murray State University—Student College Preparation Program
5. Northern Kentucky University—Project Aspire
6. University of Kentucky—Minority Student College Awareness/YMCA Black Achievers and Realizing Academic Potential (Project RAP)

Kentucky Early Mathematics Testing Program. This partnership with Northern Kentucky University and the University of Kentucky began in 2001 and provides online testing to help high school students determine their level of preparedness for college-level mathematics.

FEDERAL TRIO PROGRAMS

The US Department of Education sponsors a large grant program called TRIO, which includes programs at the pre-college, undergraduate, and graduate levels. Two programs, Talent Search and Upward Bound, are focused on identifying and helping students from low-income backgrounds prepare and access higher education. In most cases, these programs are operated from a university campus. In Kentucky, 10 campuses operate Talent Search programs and 18 campuses operate Upward Bound projects. Both programs work with students in middle and high schools.
